

## Year 2 Workshop feedback September 2024

We had 37 parents attend our workshop and received feedback from 7 parents.

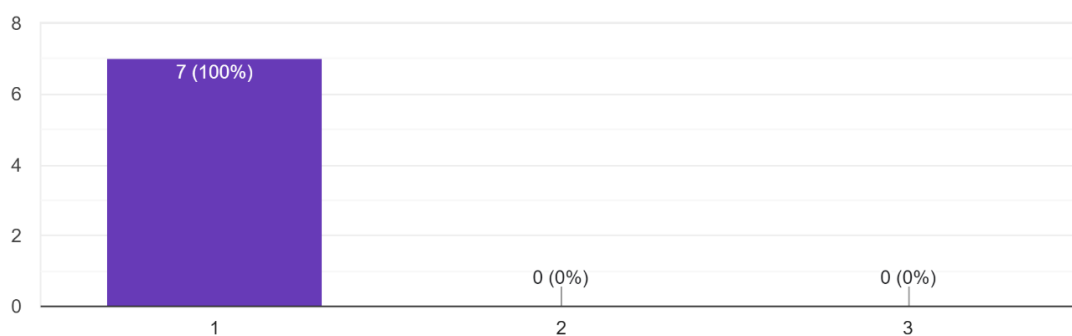

The workshop met your needs.

7 responses

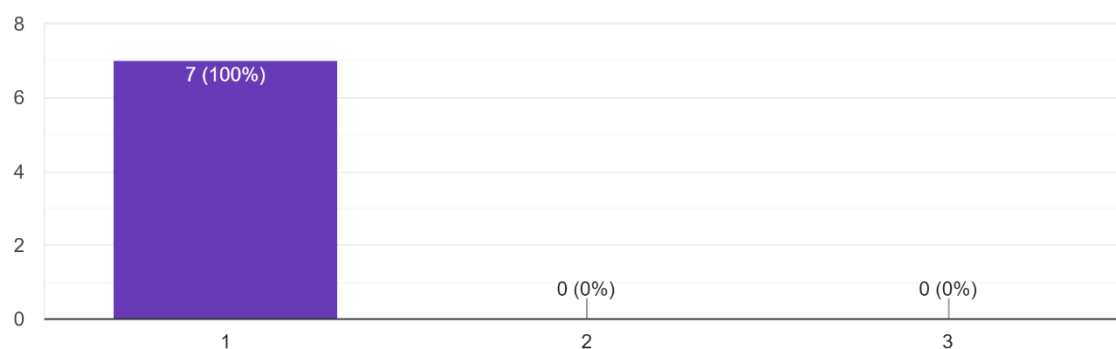

The presentation was informative.

7 responses

I understand what my child will be learning in relation to the aims of the workshop.

7 responses

Which part of the workshop did you find the most helpful?

7 responses

Breakdown of values

The expectations my child needs to be at before leaving year 2

Information about the way they learn Math. Information about how to help them in book comprehension.

The new syllabus as it gave me an understanding of what my son needs to learn in year 2

All of it

Curriculum map

About the reading books expectation.

Was there any further information that you would have liked to receive at the workshop?

7 responses

no

No

Not really

Not really it was well informed

No, it was great thank you.

Do you have any other comments regarding the workshop?

6 responses

Teachers were brilliant at explaining. was easy to understand

no

It was a great opportunity to understand how the syllabus has changed and what the children are expected to learn at this stage

Clear and concise information delivered by brilliant staff - thank you.

Very informative

Thank you for helping us understand how tk support our child better.

### Implications

We will endeavour to share the same information in the same way next year, adding or amending information as needed.

We have made available the resources we have shared with parents.

We will continue to communicate any new information or suggestions for how parents can help their children with families via email, letters and parent consultations.
